

Hall's Arrow Junior Olympic Archery Development (JOAD) Summer 2010

291 West Middle Turnpike Manchester, CT 06040

Phone: 860-646-0443 Email: teresa@hallsarrow.com

Home of Butch Johnson, FIVE-time U.S. Olympic Team Member and two-time Olympic Medalist

With the largest Junior Olympic Archery Development (JOAD) program in the United States, Hall's Arrow offers one of the nation's most comprehensive archery programs, catering to every archer, from beginners shooting their very first arrow, to the top-ranked young archers in the country.

Art Hall established the Hall's Arrow Youth Archery program soon after opening the range in 1964. That program expanded over the years and eventually became a registered JOAD club with the National Archery Association (now USA Archery). Our focus then, as it is today, is to help young archers to get a solid foundation in the sport of archery, anchored in the knowledge of proper shooting technique. **All of our Archery Instructors are Level II Certified** by USA Archery and the National Field Archery Association, and through the State of Connecticut Archery Instructors' School.

- Archery is an individual sport and a lifetime skill. Success in archery requires *self-discipline and attention to detail*. Along with shooting the bow and arrow comes *responsibility, focus and consideration for others*. In our JOAD program, individual and group coaching is given throughout the class session. **Every archer progresses at their own pace and based on their individual ability.** JOAD Official Scoring Rounds are held every three weeks and allow our archers to measure their progress using a scoring system, as well as providing the opportunity to earn achievement awards at various levels. *Any archer not wanting to keep score does not have to do so.*
- Our 2010 program is structured to give all of our students the kind of instruction that best suits their individual needs. **Summer JOAD Classes (one hour in duration)** will focus on each student as an individual, and will be open to beginning and intermediate students, as well as to students who are new to competition. In JOAD Classes, we will focus on each student individually, and base their instruction on their individual needs, thus best catering to the needs of all of our students. **These summer classes are primarily geared toward beginner/intermediate level students.**
- For students who wish to become competitive in archery, we offer an individualized introduction to tournament competition based on each student's progress in the program. We are very proud of the success of our tournament team! Over the past twelve months, **our archers have brought home twelve national top-five finishes from US Indoor National Championships, four first-place Outdoor National Championship wins, and a Gold Medal from this year's Youth World Championships**, as well as numerous national top-ten finishes, indoors and outdoors! Over the past 15 years students in our program have won more than 300 first-place Championships in State, Regional and National competitions. Our program graduates include 2000 Olympian and 2008 Olympic Team Alternate Karen Scavotto, 2009 World Cup Gold Medalist and 2009 World University Games team member Brittany Lorenti, and several World Championship and World Collegiate Team members!
- Reserve your choice of a shooting time soon for our Summer JOAD Program! Class enrollment is limited to 10 students per session, **and when a class is full, it cannot be "overbooked."** Students who wish to rent equipment are welcome to do so; however, **all students are required to purchase their own finger tab and armguard, and to have had at least one private lesson** before joining JOAD, which can be arranged by giving us a call. All of us at Hall's Arrow encourage you to call us or stop by for further information on Junior Olympic Archery Development, and we look forward to *seeing you this spring for our best season yet!*

JUNIOR OLYMPIC ARCHERY DEVELOPMENT
Eight-Week Summer Program 2010

JOAD Classes (One Hour)

Saturday CLASSES will begin on Saturday, July 10th, and end on Saturday, August 28th
Weekday CLASSES will begin on Wednesday, July 14th, and end on Wednesday, September 1st

- Course Fees for students with their own bow and arrows:
\$80.00 for the eight-week schedule, plus a \$10.00 registration fee
- Class Fees for students using range equipment:
\$95.00 for the eight-week schedule, plus a \$10.00 registration fee
- Every archer is required to purchase their own arm guard and finger tab by the first day of class
